**Re: Elmsavers
Steve and Maria Parton
13 Narr-Maen Drive – Croydon Hills – 3136**

Elmsavers, Steve Parton has been a subcontractor to Semken Landscaping Pty Ltd since July 2002.

During this period Steve Parton has proven to be a reliable service provider. His timely attention to our clients needs, in regards to Elm Leaf Beetle Treatments has prompted us to reuse his services over the years.

Steve has, on each occasion, when visiting sites followed our Health and Safety Guidelines.

We would highly recommend Elmsavers, Steve Parton, to carry out the Treatment of Elm Leaf Beetle.

Yours faithfully

MARK BENCE
